

ISH China & CIHE to be postponed

Dear Exhibitors,

The organisers of ISH China & CIHE made the decision to postpone the fair due to the global spread of the coronavirus, and the increasing number of travel restrictions now being put in place. Originally scheduled to be held from 11 – 13 May 2020 at New China International Exhibition Center, Beijing, the fair is jointly organised by Messe Frankfurt (Shanghai) Co Ltd and CIEC GL events (Beijing) International Exhibition Co Ltd.

While the situation has improved markedly in China, the growing number of cases in other countries and the resulting travel restrictions that are already in place, not to mention the further constraints that may arise in the next two months, led the organisers to the decision to postpone ISH China & CIHE. Especially given the large number of European companies that are represented at the fair. It is the best decision to postpone the fair to give all parties concerned the confidence that it would go ahead with minimal disruption. The new fair dates will be announced shortly.

Appreciate for all your support and understanding, we look forward to welcoming you to Beijing.
