Taking place twice a year at Paris - Le Bourget, Texworld Paris, with more than 950 exhibitors, offers professional buyers from all over the world a rich variety of products from basic to creative high-end fabrics of excellent quality. It is a must for manufacturers specializing in: cotton, denim, embroidery & lace, knitted fabrics, fibers, functional fabrics, linen & hemp, prints, shirting, silk, silky aspects, trims & accessories, wool, wool blends and machinery. Moreover, the presence of a "creative path" which lists the exhibitors who can sell small quantities to designers is a real plus to the fair. Finally, following the ecofriendly attitude, Texworld showcases around a 100 suppliers of organic cotton and linen, hemp, recycled material and other sustainable textiles.

As part of this sourcing galaxy, and taking place at the same time and location, Apparel Sourcing Paris, the number one European trade fair for worldwide apparel sourcing, and Shawls & Scarves – The Accessories Showcase have more than 400 manufacturers. The wide range of products for men, women, children and accessories includes the entire price spectrum. Mix high-tech and fashion with Avantex Paris. It integrates products and innovative services of the industry, from advanced materials to augmented retail, thus gathering startups, designers and brands to create smart collections and open new markets.

"We attended Texworld to make the meeting with our current European customers and would like to meet new customers as well. Actually, it is not easy to visit every single country in all of European market and Texworld is quite useful to us in this point of view."
